

Limited Warranty (Outside North America)

Gage 78 warrants its products to be free from defects in material and workmanship for a period of one (1) year from the date of invoice. Should any failure to conform to this warranty appear within one (1) year after the date of such invoice, Gage 78 shall, upon notification thereof and substantiation that the products have been stored, installed, and applied in accordance with Gage 78's standards, correct such defects by suitable repair or replacement without charge, except shipping charges which shall be at buyer's expense, at Gage 78's factory or at the location of the products (at Gage 78's election). However, if Gage 78 determines that repair or replacement is not commercially practical, Gage 78 shall issue a credit in favor of buyer in the amount not to exceed the purchase price of the products.

This warranty is exclusive and is in lieu of any implied warranty of merchantability, fitness for a particular purpose or other warranty, whether express or implied, except the Gage 78's warranty of title and patent infringement. No waiver, alteration, additions or modifications of the foregoing shall be valid unless made in writing and manually signed by an officer of Gage 78.
